

Waterloo Field Target Club

Volume 4: Number 3

August 2000

The weather for the Provincial Championship was superb. Friday set-up, Saturday and Sunday competition, and Monday tear-down were exceptional considering we had just come out of two weeks of rain with more in the forecast that fortunately did not materialize. Our competition, with one exception was exclusively PCP. As reflected in other match results in AAFTA, the amount of spring gun shooters here has declined dramatically.

Special thanks to George Hamilton, who not only drove to the Great White North to participate, but also donated several prizes to the cause.

At this point in the newsletter, it is time to say good-bye; I will no longer be involved in the WFTC but attending school. I wish to thank all that have helped me, especially my wife Ramona, and my good friends, Hans, Bert, Noel and Jessica. To ensure future competitions, the competitors of WFTC matches will have to get involved and give Hans support. To volunteer, CALL NOW 745-3244. The next scheduled match is Sunday, September 10, 2000 at 10 a.m.
